The best way you can experience Italy on your table

Enjoy Italy by tasting our products.

Once they'll be in your kitchen or on your table you'll understand what it really means living with "amore".

Love makes your life different, like our products

those are going to change your food experience.

We offer you a selection of the best artisanal Italian production bringing to you our excellence.

But with a very particular and exclusive one:
we have chosen to represent small and local producers,
those work respecting the raw materials, following ancient tradition, and
creating every time something unique.

*You can use all our products just the way they are,
or as a base for more elaborated plates.*

The freshness and high quality of ingredients,
prepared following Italian original traditions,
are the only things those really matters.

*All the raw materials are fresh, original,
mostly organic, 100% Italian.*

High standard of quality and respect of tradition:
the best way you can offer Italy to your clients.

*For a whole Italian experience
choose also among our selection of drinks.*

The freshness and richness of our fruits and vegetables can offer
you a perfect combination with our excellent food.

*We have chose to implement our catalogue
with a line dedicated to wellbeing.*

Because food helps maintaining our bodies active and health, it has to be 100% good to make people feel better from every point of view. With a special attention also to more sophisticated taste buds.

Thanks for your attention.
